CE livre s'inspire des
lectures de ARENDT, BADIO,
BAUDRILLARD, BOURDIEU, DELEUZE,
GAUCHET, GUATTARI, HEINICH,
MARCUSE, MARX Et quelques autres.

il est aussi une conséquence
d'un semestre à l'ensad.

« les obstacles à la compréhension,
surtout peut-être quand il s'agit

comme l'observe WITTGENSTEIN,
du côté de l'entendement que
du côté de la volonté. »
